### Rules & Regulations:

1- NO POOR sportsmanship is tolerated! All judges' decisions are FINAL. Score sheets will be emailed starting Monday. Please do not request these until then. Judges ARE QUALIFIED and have been instructed on what to look for with this event..... We are searching for a beautiful face and personality & adherence to rule #6.

2- Please remember you are not only paying for someone's opinion of your child, but also scoring based on how your child performs today and not the last time they may have seen your child onstage. The judges do NOT know who your child coaches with, who does your h/m etc.... nor do they care. This system is fair and balanced and we strive to find judges who are not affiliated with a certain group and judges who live within a reasonable distance. No unfair treatment or scoring of any kind will be tolerated.

3- Accepted forms of payment are listed on the next page.

#### **CASH only at the door.**

4- Contestants who send in their Emcee sheets and pay in full first will have their choice in line.

5- Cameras ARE NOT allowed in the auditorium! We will have Melanie Bibby with Brunswick GA Photography with very low prices on all pix of your child.
